

Milford Water Company is currently on a STAGE IV Mandatory Water *CONSERVATION* Level.

What does this mean to you as a customer?

ALL OUTSIDE WATER USAGE IS STRICTLY FORBIDDEN. *This means that you may not use any irrigation systems, sprinklers or hoses at any time.*

MWC DOES MONITOR FOR VIOLATORS OF THE CONSERVATION STAGES AND WILL ISSUE A WRITTEN WARNING FOR THE FIRST VIOLATION.

SUBSEQUENT VIOLATION WILL RESULT IN THE TERMINATION OF WATER SERVICE. ONCE THE SERVICE HAS BEEN TERMINATED THE COST OF THE RESTORATION WILL BE THE RESPONSIBILITY OF THE OWNER.

The Milford Water Company at this time would like to thank all of its customers for their cooperation in this matter and hope that by CONSERVING now we will be able to lift the restrictions going forward.

Should you have any questions or concerns please do not hesitate to call. Information on the current Stage Level may also be found on the company's web page www.milfordwater.com.

Respectfully,

David L. Condrey, Manager Milford Water Company
