RE: Fall Flushing

Milford Water Company will be completing a fall flushing program of its water main blow offs located in the areas listed below. The flushing will be conducted during the day between the hours of 7:30am to 3:30pm. During the flushing some customers may experience discolored water or air in their lines, should this occur please flush **ONE** cold water faucet for approx. 10 minutes. If the problem persists please contact the office and we will dispatch a service tech to your area.
