

November 3, 2014

Once again I want to express appreciation to you for the Milford Water Company's contributions in granting property rights and cash gifts to this important community project.

Over the next year or so the Upper Charles Trail Committee will be finishing its work. The Parks and Recreation Dept. along with Friends of the Trail (a 501(c)3 non-profit volunteer organization) are now, and will continue to be, responsible for the care and maintenance of the Trail. We trust the positive and cooperative relationship that has been developed between the Water Co. and the Town will continue.

Sincerely,  
Reno DeLuzio, Chairman  
Milford upper Charles Trail Committee
